

Exhibitors and Vendors

The Episcopal Diocese of Iowa's Annual Convention will be meeting virtually this year on October 24th, 2020 but there is still an opportunity to connect with people who are interested in your products, services, or ministries. In fact, with our virtual convention platform, your "booth" is open for people to interact with it from the time they download the app after registration and for up to 6 months after convention. The app we are using for convention is Whova.

Virtual booth price for **Vendors (for-profit businesses and organizations selling merchandise or services) \$20**

Virtual booth price for **Exhibitors (non-profit organizations and ministries) \$15**

At each virtual booth you can upload photos, flyers, a video and offer a giveaway, raffle, or coupon. You can also plan to have someone staff the booth during the convention and engage in conversation with anyone who "stops by."

How to sign up to be a virtual exhibitor or vendor:

1. Register as an exhibitor or vendor at <https://www.iowaepiscopal.org/diocesan-convention>. You will also be able to add guests who will be able to help you staff your booth during the event to engage in live chat as people "visit" your booth.
2. You receive an email with a link and instructions to edit your exhibitor or vendor profile. There you can edit your description and upload promotional material such as flyers, raffles, giveaways, and coupons to help engage attendees. You can also upload pictures, flyers, and embed a video.
3. You will also receive an email with instructions for accessing Whova on your desktop or mobile device.

If you have any questions about registering as an exhibitor or vendor, email diocese@iowaepiscopal.org
